SPARTAN JOB FRAUD ALERT

It has come to our Company's attention that several false Job Advertisements are circulating Indian websites from fake organisations.

Eagles Travels Services & Rudraksh Group Overseas Solution Mohali are 2 of the names of companies we are aware of who are pretending to act on behalf of Spartan Construction Ltd.

These "job vacancies" are fake!

Please be warned! Spartan Construction did NOT place these fake advertisements and have NOT enlisted the help of any Indian recruitment/travel companies to find workers.

We are currently working at having all trace of this information removed from the internet.
